Dear all:

Here is the latest updated agenda of Pete's trip to Puerto Rico and the USVI for your review.

There have been some new changes in the schedule as we were able to integrate a site visit to the Toa Baja landfill and we received a meeting time change request from Commissioner Dawn Henry. Governor Rosselló's scheduling staff just called to inform that the Governor will have to extend his travels in the US, so he will not be in Puerto Rico on Thursday, March 1.

We are still awaiting confirmation for certain meetings for Thursday afternoon.

We will keep you updated on the latest version of the agenda.

Thanks,
Carmen
